has two more boats in build.*

Brokerage

Status Quo, Richmond's 138-footer, and the first yacht produced with the Richmond nameplate, recently sold to an Australian businessmen through the efforts of Grant Torrens International Marine in Australia.

Grant and Sharon Torrens are the brokers of record.

Under Way

Hull #4, a 142-footer is under construction, and has a deal pending. Richmond started hull #5, its third 142, on spec and it is available. There is still plenty of room in the schedule to allow for the owner's creative input.

Launch dates are pending.
